

Mission Bay Improvement Fund

Fund Description

The Mission Bay Improvement Fund is used for permanent public capital improvements and deferred maintenance of existing facilities within the Mission Bay Park Improvement Zone consistent with the Mission Bay Park Master Plan. Funding is directly related to the City of San Diego Charter, Article V, Section 55.2 that requires that three-quarters of all lease revenues collected from Mission Bay in excess of \$23.0 million (or the remainder of those revenues if less than 75 percent is available after the allocation to the San Diego Regional Parks Improvement Fund has been made) be allocated to the Mission Bay Improvement Fund to solely benefit the Mission Bay Improvement Zone. Park improvements are prioritized in this Charter section, although other projects may proceed once the priorities have been budgeted, approved by Council, and have a funding plan put in place.
